Dear Christine,

Congratulations on being one of the winners in the Paddington Bear competition which you entered in The Young Observer.

I am writing to let you know that the date of the visit to FilmFair Studios to watch the making of the first Paddington TV Special will be on Tuesday 21st July. We shall all be meeting at Collins, at the above address, at 10.30 a.m. and from here will go to FilmFair and then to Paddington & Co. for lunch and to meet the creator of Paddington Bear - Michael Bond.

You are invited to bring along with you either a parent or a relative - just one person. When you write to let me know that you will be coming on Tuesday 21st July, please let me know who will be coming with you and then I can arrange with them the tickets for your train journeys - which of course is part of the prize.

You may like to know that the other winner is coming up from Wimborne in Dorset - Katie Jane Fletcher who is 8 years old. Like yourself, Katie was able to answer all the questions correctly and most importantly wrote a very nice story about Paddington's uncle. Michael Bond greatly enjoyed your story about uncle in the Marmalade Mines he felt that was a perfect place for him!

I now look forward to hearing from you that you will be here on Tuesday 21st July for our Paddington Day.

Yours sincerely,

Sonia Birch - Publicity Manager
